OLDE POINT TENNIS ASSOCIATION

## MARCH ROUND ROBIN

Twelve hardy souls showed up to play the first round robin of the year on Saturday. There were 6 men and 6 women. Everyone played every game, which was good, because of the cold weather. There were three winners this month -- Marilyn Fisher and Barbara Kelly tied for the ladies and Marty Kinney was the men's winner. Following tennis we had our social at the Carnazzas' home along with our March OPTA meeting. Barbara served a great Italian lunch of pasta and meatballs, along with cheese and garlic bread, salad and desserts. A great comfort food for a cold blustery day in March. Good job Barbara and Joe.

Thanks to the Fisher's for the play and the hot coffee at the courts. Thanks to the Tassi's for the winner's gifts.

The April round robin will be on Saturday, April 18, at 10AM.

## Thanks Duane!

There is a new drinking fountain in the tennis hut thanks to Duane Young's enterprise and hard work. He located a good fountain that was no longer being used in the pro shop, found the water line (not an easy job), bought a new water filter and installed everything in the tennis hut. We now have cold water again in the tennis hut thanks to Duane.

## WWW

It's almost time for another Wood, White and Wimbledon Tournament. It's May 17th this year. Dust off those old wooden racquets and get the white tennis outfits ready for another attempt to play tennis the "old" way.

President Sue Feind will meet with Pat on some maintenance issues: toilets, faucets and gravel or fill for the parking lot and driveway.

John Donovan is recovering from surgery the men miss having him on the courts. We hope he recovers quickly and returns in April as planned.

## KINGSTON TRIP

Barbara Kelly has 6 villas and 3 clay courts on hold for a Kingston Trip, October 6 & 7, returning on the morning of the 8th.

Line up your roommates and give Barbara a call.

*The next meeting will be held on  
May 26 at the home of Jim & Jeanne  
Walsh, 208 Hickory LN. at 7:30 PM*
